

# Kaizen Robotics Program

## Course Completion Certificate

**M NAVEEN NARAYANAN**

pursuing B.E/B.Tech Electronics and Communication Engineering at Sri Sivasubramaniya Nadar College of Engineering has successfully completed the Kaizen Robotics Program conducted at IIT Madras Research Park between 20 June – 26 June 2016.

He was part of a team that successfully built these robots in the course

1. Simple Line Follower Robot
2. Obstacle Avoider Robot
3. Table Top Robot
4. Analog to Digital Conversion Based Robots
5. Pulse Width Modulated Robots
6. Computer Controlled Robot using UART Protocol

All the robots were built with Atmega16 microcontroller using Embedded C.
